Subject: Launch of WABCO CV Brake Rotors for Bus Applications

We are pleased to announce the **launch of WABCO CV Brake Rotors (Brake Discs)** for buses equipped with **Air Disc Brake systems**.

WABCO Brake Rotors are engineered to perform in the **most demanding commercial vehicle operating environments**, delivering **superior braking performance, durability, and long service life**.

★ **First Time in India – Maximum model coverage on Bus Rotor Range | ECE R90 Tested | Dyno Proven Performance**

Key Highlights – WABCO Brake Rotors :

- **High Performance Material Technology**

Engineered using superior grade rotor material to ensure strength, stability, and long operational life.

- **Optimized for Heavy Duty Bus Operations**

Designed to perform reliably under continuous stop-and-go urban bus duty cycles and high load conditions.

- **Enhanced Thermal Stability**

Advanced rotor design ensures effective heat dissipation, minimizing brake fade and maintaining consistent braking performance.

- **Built for Extreme Braking Conditions**

Developed to withstand high braking temperatures and severe operating environments.
