To,
All Valuable Customers

Subject: **Launch of WABCO Premium Wheel Bearing Grease**

We are pleased to announce the **launch of WABCO Wheel Bearing Red Grease (Premium) for commercial vehicle applications.**

- **High quality Red gel Lithium complex, NLGi-3, GC Rating**
- **Service interval of 1,00,000 Kms (under standard test condition)**

Key Highlights

- **High Consistency**
Ensures excellent retention in bearings, making it ideal for high-temperature environments and reducing leakage or grease loss.
- **Superior Load-Carrying Capacity**
Provides reliable protection under heavy radial and axial loads, as well as shock conditions typical in commercial and heavy-duty operations.
- **High Temperature Stability**
Maintains performance at elevated temperatures with excellent resistance to thermal breakdown and oxidation, ensuring longer grease life.
- **Resistance to Water, Contaminants & Corrosion**
Offers strong protection against moisture, dirt ingress, and rust formation, making it suitable for harsh and all-weather conditions.

Chennai - 600058. India
www.zf.com

- **Shear Stability & Wear Protection**

Retains consistency under high shear forces, preventing grease thinning and minimizing bearing wear and premature failure.

Price Table

WABCO Part Number	Pack Size	LP	MRP	Discount	Coupon Value included	Shipper case Qty
